**Grades 2nd through 4th\***

**Healthy After School Snacks • Mondays •** If you find yourself hungry as a bear after school and would like to learn to make something both healthy and satisfying all by yourself, this is the place to be. Sign up for this class and you'll never be hungry and clueless again! (Ahola)

**Multiplication Maniacs • Tuesdays •** Whether you love math or are having a little trouble, learn how to do your times tables lickety split through games and exercises that make it fun. (Ahola)

**Whirlwind Week at Hogwarts • Wednesdays •** Step into the shoes of Harry Potter with us where you can try out the arts of Potions, Care of Magical Creatures, Quidditch and more in this Hogwarts sampler class. (Ahola)

**Experiment a Day • Thursdays •** Join us in this incredible class where we do a different experiment each day and explore the world of science. (Ahola)

**SNAP! Circuitry • Fridays •** From door bells to lie detectors, do it all in this fun class where you literally create your own electronic playground. (Ahola)
